New residents welcome to Dimboola

The Dimboola Town Committee will be hosting its annual New Residents Welcome BBQ at the Dimboola Recreation Reserve on Friday 31 March 2017.

Hindmarsh Shire Council Mayor, Cr Debra Nelson said, “New resident welcome events are held in each town in our Shire and a great way for any new residents to meet other locals and representatives of various community groups and organisations”.

Cr Nelson added, “The Dimboola Town Committee hosted a similar event last year and it was an outstanding success with many new residents in attendance. I encourage all new residents to attend this year’s event which will be catered for by the Dimboola Town Committee. All residents need to bring are their own drinks and a chair if required”.

Chairman of the Dimboola Town Committee, Phil Colquhoun said “The informal Welcome BBQ by the Wimmera River at the Recreation Reserve serves two purposes: It provides a great opportunity for people to mingle and get to know each other in a relaxing atmosphere but also showcases one of our best natural assets to new residents.

The evening will commence at 6.00pm with a BBQ meal at the BBQ shelter in the Recreation Reserve. BYO drinks and chairs. For further details and RSVP’s for catering purposes please contact Amanda Ingeme, Secretary, Dimboola Town Committee at dimboolatc@hotmail.com or 0447 032 988.
