

**MINUTES OF THE COUNCIL MEETING OF THE HINDMARSH SHIRE COUNCIL  
HELD 15 AUGUST 2018 AT THE COUNCIL CHAMBERS, 92 NELSON STREET,  
NHILL COMMENCING AT 3:00PM.**

---

**AGENDA**

**1. Acknowledgement of the Indigenous Community and Opening Prayer**

**2. Apologies**

**3. Confirmation of Minutes**

**4. Declaration of Interests**

**5. Public Question Time**

**6. Deputations**

**7. Activity Reports**

**8. Correspondence**

**9. Assembly of Councillors**

9.1 Record of Assembly

**10. Planning Permit Reports**

10.1 Application for Planning Permit 1565-2017

10.2 Application for Amendment to Planning Permit 1514-2015

---

**11. Reports Requiring a Decision**

- 11.1 Request for co-funding for installation of a new boat launching pontoon on the Wimmera River at Dimboola Rowing Club
- 11.2 Procurement Policy Review
- 11.3 Public Arts Policy

**12. Special Committees**

- 12.1 Yanac Public Hall and Recreation Reserve Committee
- 12.2 Yurunga Homestead Committee

**13. Late Reports**

No report

**14. Other Business**

No report

**15. Confidential Matters**

No report

---

**16. Meeting Close**

**Present:**

Crs R Ismay (Mayor), R Lowe (Deputy Mayor), R Gersch, D Nelson, D Colbert

**In Attendance:**

Mr Greg Wood, (Chief Executive Officer), Ms Monica Revell (Director Corporate and Community Services), Mr Shane Power (Director Infrastructure Services), Ms Shelley Gersch (Executive Assistant)

**1. ACKNOWLEDGEMENT OF THE INDIGENOUS COMMUNITY AND OPENING PRAYER**

Cr R Ismay opened the meeting at 3:00pm by acknowledging the Indigenous Community and offering the opening prayer.

---

**2. APOLOGIES**

Cr T Schneider (leave of absence)

***MOVED: Crs R Gersch/D Colbert***

***That Council accepts the apologies.***

**CARRIED**

---

**3. CONFIRMATION OF MINUTES**

***RECOMMENDATION:***

***That the Minutes of the Ordinary Council Meeting held on Wednesday 1 August 2018 in the Council Chamber, 92 Nelson Street Nhill, as circulated to Councillors be taken as read and confirmed.***

***MOVED: Crs R Lowe/D Nelson***

***That the Minutes of the Ordinary Council Meeting held on Wednesday 1 August 2018 in the Council Chamber, 92 Nelson Street Nhill, as circulated to Councillors be taken as read and confirmed.***

**CARRIED**

*Attachment: 1*

---

**4. DECLARATION BY COUNCILLORS OR OFFICERS OF ANY DIRECT OR INDIRECT INTEREST IN ANY ITEM ON THE AGENDA.**

- Direct; or
- Indirect interest
  - a ) by close association;
  - b ) that is an indirect financial interest;
  - c ) because of conflicting duties;
  - d ) because of receipt of an applicable gift;
  - e ) as a consequence of becoming an interested party; or
  - f ) because of an impact on residential amenity.

Declaration of direct or indirect interest must also be advised by Councillors at the commencement of discussion of the specific item.

---

**5. PUBLIC QUESTION TIME**

---

**6. DEPUTATIONS**

No deputations

---

**7. ACTIVITY REPORTS**

**COUNCILLOR ACTIVITIES: JULY 2018**

**Cr ISMAY, Mayor**

Attended:

- 04/07/2018 Lunch with Emma Kealy MP, Nhill
- 04/07/2018 Mayor/CEO Meeting, Nhill
- 04/07/2018 Council briefing, Nhill
- 04/07/2018 Council meeting, Nhill
- 09/07/2018 Jeparit Town Committee Meeting, Jeparit
- 10/07/2018 Mayor/CEO Meeting, Rainbow
- 18/07/2018 Mayor/CEO Meeting, Nhill
- 18/07/2018 Council briefing, Nhill
- 18/07/2018 Council meeting, Nhill
- 23/07/2018 Rainbow Town Committee, Rainbow
- 27/07/2018 Mayoral gathering, Horsham

**Cr LOWE, DEPUTY MAYOR**

Attended:

- 02/07/2018 Diapur wind farm community meeting
- 04/07/2018 Meet and Lunch with Emma Kealy, Council Chambers, Nhill
- 04/07/2018 Council Briefing, Council Meeting, Council Chambers, Nhill
- 08/07/2018 Rotary Changeover afternoon, Little Desert Nature Lodge, Nhill
- 17/07/2018 Nhill Men's Shed AGM, Nhill
- 17/07/2018 Gallery Display, Local Senior Artists, Lowana, Nhill
- 17/07/2018 WMPM Meeting, Jeparit
- 18/07/2018 Council Briefing, Meeting, Nhill
- 18/07/2018 AGM, Yanac Hall, Yanac

**Cr GERSCH**

Attended:

- 02/07/2018 Diapur wind farm community meeting
- 04/07/2018 Meeting with Emma Kealy
- 04/07/2018 Council meeting and Briefing meeting, Nhill
- 08/07/2018 Rotary club Nhill changeover
- 12/07/2018 RCV Board meeting Melbourne
- 18/07/2018 Meeting with Luv a duck re 50 years anniversary
- 18/07/2018 Council meeting and Briefing Meeting, Nhill
- 26/07/2018 Meeting with Local Government and Roads Ministers re road funding

**Cr COLBERT**

Attended:

- 04/07/2018 Lunch with Emma Kealy MP
- 04/07/2018 Council briefing

04/07/2018 Council meeting  
18/07/2018 Council briefing  
18/07/2018 Council meeting

**Cr NELSON**

Attended:

04/07/2018 Lunch with Emma Kealy MP  
04/07/2018 Council briefing  
04/07/2018 Council meeting  
10/07/2018 Wimmera Development Association meeting, Horsham  
17/07/2018 Nhill Men's Shed AGM, Nhill  
17/07/2018 Seniors Art Exhibition, Nhill  
18/07/2018 Council briefing  
18/07/2018 Council meeting  
24/07/2018 Nhill Dimboola Band member retirement event, Dimboola

**Cr SCHNEIDER**

Attended:

02/07/2018 Dimboola Town Committee Meeting  
04/07/2018 Lunch with Emma Kealy MP, Nhill  
04/07/2018 Council briefing, Nhill

**10. PLANNING PERMITS**

**10.1 APPLICATION FOR PLANNING PERMIT 1565-2017 – ECKERMANN'S ROAD RAINBOW**

<b>Responsible Officer:</b>	Director Infrastructure Services
<b>File:</b>	Planning – Applications
<b>Assessment:</b>	011660
<b>Applicant:</b>	Noel Laidlaw c/- Paul & Robert Lester – Albacutya Gypsum
<b>Owner:</b>	Adrian Eckermann
<b>Subject Land:</b>	CA 4 Psh Kurnbrunin (Eckermann's Rd Rainbow)
<b>Proposal:</b>	Mineral Extraction - Gypsum
<b>Zoning &amp; Overlays:</b>	Farming Zone (FZ) Environmental Significance Overlay Schedule 6 (ESO6) – Catchments of Wetlands of Conservation Value; Land Subject to Inundation Overlay (LSIO)
<b>Attachments:</b>	Nil

**Summary:**

This report recommends that Council approves planning permit 1565-2017 for mineral extraction – gypsum at CA 4 Psh Kurnbrunin (Eckermann's Rd Rainbow).

**Background:**

In August 2017, an application to extract gypsum at CA 4 Psh Kurnbrunin (Eckermann's Rd Rainbow) was received, along with the necessary documentation from Earth Resources Regulation including a copy of the mining license conditions (Mining License No. 006003) and statutory endorsed work plan.

**Proposal Details:**

The proposal is to extract approximately 50,000 tonnes of gypsum per annum, from an area of 94.8 hectares. In the applicant's submission – Environmental Management Plan (EMP) for MIN006003, it states that:

*"There will be no permanent structures or buildings erected on the site. A portable office and tea room may be brought to site, but this will be removed following the completion of the mining.*

*The current road access to the site will remain as the access for all vehicles to the site; that is along the un-named track from the site to Western Beach Road. This road will be formed and maintained by the licensees during the period of the operation of the mine when in full production, an average of 30 semi-tipper loads per week will come from the mine, although the actual weekly amount may vary due to the season and weather conditions.*

*The plan provides for a 5-meter (sic) wide buffer along the boundary of the work area and the private land in which no mining activities will take place”.*

The EMP also outlines measures relating to groundwater, operating hours, firefighting measures and days of total fire ban, drainage and erosion control, weed, noise and dust control, site rehabilitation, and ongoing monitoring. Appropriate conditions requiring compliance with the EMP can be applied to any permit issued.

The work plan outlines the methods for the extraction of the gypsum, and states:-

*“The process for mining the gypsum is fairly simple. The topsoil is removed using a bulldozer or similar and it is pushed up into a series of windrows. These are strategically placed for ease of re-spreading following the extraction of the gypsum. The gypsum is then pushed into a series of windrows or stockpile. The material is then crushed and screened with the final product stacked into stockpiles for final sale and removal. Road trucks then access the site and are loaded from the stockpiles using a front-end-loader. There will be no blasting involved in this mine.*

*“The site will be rehabilitated according to the environmental management plan attached to this application. It will be progressively rehabilitated, and it is not expected to have more than three pits open at any time. The maximum area of unrehabilitated land at any one time will be 3 hectares. A suitable Native Vegetation Management Plan is also attached to the EMP and Native Vegetation offsets are secured. There will be a number of trees left on the site in an effort to reduce the loss of native vegetation. These operations will be occurring above the water table and there will be no pumping or storage of groundwater as a part of this mining program. This mine is not on any waterway and it is in an area of very low rainfall. It is not anticipated that there will be any issues of surface water diversion on the site”.*

The overall plan is for a mine life of approximately 10 years.

**Requirement for Permit:**

A Planning permit is required under Clause 35.07 – Farming Zone of the Hindmarsh Planning Scheme for Buildings and Works associated with a building or works associated with a use in Section 2 of Clause 35.07-1.

Under the provisions of the planning scheme, ‘mineral extraction’ is a Section 2 Use in the Farming Zone (FZ).

**Subject site & locality:**

The subject site is known as CA 4 Psh Kurnbrunin (Eckermann’s Rd Rainbow), and is currently used for the purposes of grazing. The property (and surrounds) has been extensively cleared with little established vegetation remaining.

The site is located approximately 13 km to the north-north west of the Rainbow Post Office. There is a dwelling located approximately 1km to the north and another dwelling located approximately 2.5km to the west.

**Public Notification:**

Section 52 of the Planning and Environment Act 1987 prescribes the requirements relating to giving notice as such:

**s52 Notice of application**

*(1) Unless the responsible authority requires the applicant to give notice, the responsible authority must give notice of an application in a prescribed form—*

- (a) to the owners (except persons entitled to be registered under the Transfer of Land Act 1958 as proprietor of an estate in fee simple) and occupiers of allotments or lots adjoining the land to which the application applies unless the responsible authority is satisfied that the grant of the permit would not cause material detriment to any person.*

The application is not required to be publicly notified under the provisions of the Planning and Environment Act 1987 as the proposal is not deemed to cause material detriment to any person for the following reasons:

- Given the proximity to dwellings on neighbouring properties, the proposal will not adversely impact upon the landscape and general amenity of the area;
- Extensive consultation has occurred with surrounding landowners during the preparation of the community engagement plan, with no objection to the granting of the license when granted in October 2015, and
- The proposal is not considered to negatively impact on the agricultural productivity of the subject and or surrounding land in the area.

It is therefore determined that the proposal will not cause material detriment to any person.

**Referrals:**

External Referrals/Notices Required by the Planning Scheme:

Section 55 Referrals: Not required. Clause 52.08 – Earth and Energy Resources Industry states that “Before deciding on any applications to use and develop land for mineral extraction the Responsible Authority must refer the application to the referral authorities specified under section 55 of the Planning and Environment Act 1987. Unless the referral authority is the Roads Corporation, the referral requirements of Clause 52.08-2 do not apply to an application to use and develop land for mineral extraction if a copy of the work plan or a variation to an approved work plan was previously referred to the referral

authority listed in Clause 66 under section 77TE of the Mineral Resources (Sustainable Development) Act 1990. This has been submitted and previously referred.

Section 52 Notices: Not required

Internal Referrals:

- Engineering: Conditions regarding the local road network are to be applied.
- Environmental Health: Not required.
- Building: A Building Permit is required, due to placement of portable buildings.

### **Planning Assessment:**

#### Permit Requirement:

A Planning permit is required under Clause 35.07 – Farming Zone of the Hindmarsh Planning Scheme for Buildings and Works associated with mineral extraction.

#### Planning Scheme Requirements:

### **Planning Policy Framework**

Clause 11 – Settlement

Clause 11.01 – Victoria

Clause 11.01- 1R Settlement - Wimmera Southern Mallee

Clause 12 – Environmental and Landscape Values

Clause 12.01 – Biodiversity

Clause 12.01-2S - Native vegetation management

Clause 12.03 – Water Bodies and Wetlands

Clause 12.03-1S - River corridors, waterways, lakes and wetlands

Clause 13 – Environmental Risks and Amenity

Clause 13.02 – Bushfire

Clause 13.02-1S Bushfire planning

Clause 13.04 - Soil Degradation

Clause 13.04-2S Erosion and landslip

Clause 13.05 - Noise

Clause 13.05-1S - Noise abatement

Clause 13.06 – Air Quality

Clause 13.06-1S Air quality management

Clause 13.07 – Amenity

Clause 13.07-1S Land use compatibility

Clause 14 – Natural Resource Management

Clause 14.01 - Agriculture

Clause 14.03 – Earth and Energy Resources

Clause 14.03-1S Resource exploration and extraction

Clause 17 – Economic Development

Clause 17.01 - Employment

Clause 17.01-1S - Diversified economy

Clause 17.01-1R - Diversified economy - Wimmera Southern Mallee

Clause 21 – Municipal Strategic Statement

**Zoning Provisions:**

Clause 35.07 Farming Zone

**Overlay Provisions:**

None Applicable. The proposed extraction area is not affected by any overlays.

**Particular Provisions:**

Clause 52.08 Earth and Energy Resources Industry

**General Provisions:**

Clause 65 – Decision Guidelines, states that:

*“Because a permit can be granted does not imply that a permit should or will be granted. The responsible authority must decide whether the proposal will produce acceptable outcomes in terms of the decision guidelines of this clause”.*

The decision guidelines relevant to this application are stated within Clause 65.01 of the Hindmarsh Planning Scheme – Approval of an application or plan.

Before deciding on an application or approval of a plan, the responsible authority must consider, as appropriate:

- The matters set out in Section 60 of the Act.
- The Municipal Planning Strategy and the Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The purpose of the zone, overlay or other provision.
- Any matter required to be considered in the zone, overlay or other provision.
- The orderly planning of the area.
- The effect on the amenity of the area.
- The proximity of the land to any public land.
- Factors likely to cause or contribute to land degradation, salinity or reduce water quality.
- Whether the proposed development is designed to maintain or improve the quality of stormwater within and exiting the site.
- The extent and character of native vegetation and the likelihood of its destruction.
- Whether native vegetation is to be or can be protected, planted or allowed to regenerate.
- The degree of flood, erosion or fire hazard associated with the location of the land and the use, development or management of the land so as to minimise any such hazard.
- The adequacy of loading and unloading facilities and any associated amenity, traffic flow and road safety impacts.

It is considered that the application complies with the relevant decision guidelines as outlined.

**Discussion:**

The application has been assessed against the Planning Policy Framework within the Scheme, and it is considered that the proposed use is consistent with relevant policies contained within this section of the Hindmarsh Planning Scheme.

Clause 35.07 – Farming Zone states that before deciding on an application, in addition to the decision guidelines in Clause 65 the Responsible Authority must consider, as appropriate (as outlined in detail within the Planning Scheme):

**Decision Guidelines**

**General Issues**

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- Any Regional Catchment Strategy and associated plan applying to the land.
- The capability of the land to accommodate the proposed use or development, including the disposal of effluent.
- How the use or development relates to sustainable land management.
- Whether the site is suitable for the use or development and whether the proposal is compatible with adjoining and nearby land uses.
- How the use and development makes use of existing infrastructure and services.

Planning response:

The proposed use and development of land including buildings and works is considered to meet the applicable decision guidelines as outlined above.

**Agricultural issues and the impacts from non-agricultural uses**

- Whether the use or development will support and enhance agricultural production.
- Whether the use or development will adversely affect soil quality or permanently remove land from agricultural production.
- The potential for the use or development to limit the operation and expansion of adjoining and nearby agricultural uses.
- The capacity of the site to sustain the agricultural use. The agricultural qualities of the land, such as soil quality, access to water and access to rural infrastructure.
- Any integrated land management plan prepared for the site.

Planning response:

The proposed use and development of land including buildings and works is considered to meet the applicable decision guidelines with regard to agricultural considerations outlined above and does not require an integrated land management plan to be prepared for the site.

**Environmental issues:**

- The impact of the proposal on the natural physical features and resources of the area, in particular on soil and water quality.
- The impact of the use or development on the flora and fauna on the site and its surrounds.
- The need to protect and enhance the biodiversity of the area, including the retention of vegetation and faunal habitat and the need to revegetate land including riparian buffers along waterways, gullies, ridgelines, property boundaries and saline discharge and recharge area.
- The location of on-site effluent disposal areas to minimise the impact of nutrient loads on waterways and native vegetation.

**Planning Response:**

The proposed use and development of land including buildings and works is considered to:

- Not negatively impact on the natural physical features and resources of the area.
- Not negatively impact on the flora and fauna on the site and its surrounds as no native vegetation is proposed to be removed.
- Not negatively impact upon biodiversity of the area, inclusive of the retention of vegetation and faunal habitat and the need to revegetate land including riparian buffers along waterways, gullies, ridgelines, property boundaries and saline discharge and recharge area.

Appropriate conditions requiring compliance with the submitted Environmental Management Plan and Native Vegetation and Tree Assessment will be applied to any permit issued.

**Design and siting issues**

- The need to locate buildings in one area to avoid any adverse impacts on surrounding agricultural uses and to minimise the loss of productive agricultural land.
- The impact of the siting, design, height, bulk, colours and materials to be used, on the natural environment, major roads, vistas and water features and the measures to be undertaken to minimise any adverse impacts.
- The impact on the character and appearance of the area or features of architectural, historic or scientific significance or of natural scenic beauty or importance.
- The location and design of existing and proposed infrastructure including roads, gas, water, drainage, telecommunications and sewerage facilities.

- Whether the use and development will require traffic management measures.

Planning Response:

The proposed location of the use and development of land including buildings and works is considered to accord with the above decision guidelines, having regard to the siting of the proposal. Given the work plan clause to satisfactorily rehabilitate the site at the mine end of life it is considered the proposal will minimally impact on the natural environment, major roads, vistas and water features and the measures to be undertaken to minimise any adverse impacts.

The proposal will not adversely impact on the character and appearance of the area or features of historic or scientific significance or of natural scenic beauty or importance.

No Aboriginal Cultural Heritage Management Plan was required, as the subject site is not affected by the Aboriginal Cultural Heritage Overlay.

**Strategic, Statutory and Procedural Requirements:**

The proposal is consistent with the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

**Report to Council:**

The Coordinator Planning and Development advises that all obligations of Council (strategic, statutory and procedural) have been addressed and discharged in this planning application.

**Processing Times:**

The application was lodged on 10 August 2017. The report is being presented to Council for approval at its meeting on 15 August 2018 (371 days). The statutory processing time requirements of the Planning and Environment Act 1987 have not been satisfied in this instance.

**Conflict of Interest:**

Under section 80c of the Local Government Act 1989 officers providing advice to Council must disclose any interests, including the type of interest.

Officer Responsible – Janette Fritsch, Acting Director Infrastructure Services

In providing this advice as the Officer Responsible, I have no disclosable interests in this report.

Author – Andre Dalton, Coordinator Planning and Development

In providing this advice as the Author, I have no disclosable interests in this report.

**RECOMMENDATION:**

***That Council approves an application for use and development of land, including buildings and works – mineral extraction – gypsum on CA4 Psh Kurnbrunin, Eckermann’s Road Rainbow, subject to the following conditions:***

**Endorsed Plans**

1. ***The location and design of the development as shown on the endorsed plans shall not be altered or modified, whether or not in order to comply with any statute or statutory rule or local law or any other reason without the written consent of the Responsible Authority.***

**Amenity**

2. ***The mineral extraction site must be managed so that the amenity of the area is not detrimentally affected through the:***
  - (a) ***Transport of materials, goods or commodities to or from the land;***
  - (b) ***Appearance of any buildings, works or materials;***
  - (c) ***Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit, or oil;***
  - (d) ***Presence of vermin; or***
  - (e) ***In any other way.***
3. ***The site must be kept in an ordered and tidy state and its appearance must not prejudicially affect the amenity of the area.***
4. ***All loading and unloading of vehicles and delivery of goods to and from the premises must occur on site.***

**Engineering**

5. ***The applicant shall (at their cost) provide plans to upgrade the access point off Western Beach Rd to the property boundary in accordance with the Infrastructure Design Manual (produced by Local Government Infrastructure Design Association). The plans shall be submitted to and approved by council before commencement of works.***
6. ***The applicant shall (at their cost) provide plans to upgrade Western Beach Rd in accordance with design standards specified within the Infrastructure Design Manual to ensure the road is able to safely carry the expected heavy vehicle movements. Plans shall be submitted to council for approval of any required upgrades.***
7. ***The applicant shall (at their cost) install the works identified in conditions***

*five (5) and six (6) in accordance with the Infrastructure Design Manual.*

**Mining License MIN006003**

8. *All activities and works undertaken in association with mining on the subject land must be undertaken in accordance with Mining Licence MIN006003 and Work Plan endorsed by The Department of Economic Development, Jobs, Transport and Resources dated 30 September 2015.*

**Temporary Buildings**

9. *Before the use and/or development start(s), amended plans to the satisfaction of the responsible authority must be submitted to and approved by the responsible authority. When approved, the plans will be endorsed and will then form part of the permit. The plans must be drawn to scale with dimensions and three copies must be provided. The plans must be generally in accordance with the plans submitted with the application but modified to show:*
- (a) *A site plan and elevations showing the location of the proposed temporary buildings (portable office and tea room).*

**Site Rehabilitation**

10. *The site must be rehabilitated upon cessation of the use in accordance with Mining Licence MIN006003 and Work Plan endorsed by The Department of Economic Development, Jobs, Transport and Resources dated 30 September 2015.*

**Permit Lapse/Extension**

11. *The development approved by this permit will expire if one of the following circumstances applies:*
- (a) *The use is not commenced within two years of the date of this permit.*  
(b) *The work authority issued under the provisions of the Mineral Resources (Sustainable Development) Act 1990 is cancelled in accordance with Section 770 of the Act.*

*The responsible Authority may extend the periods referred to if a request is made in writing before the permit expires, or:*

- (a) *Within six months afterwards for commencement, or*  
(b) *Within twelve months afterwards for completion.*

**Notes:**

- (1) This permit is not a Building Permit. Please consult a Building Surveyor and ensure a Building Permit is obtained.**
- (2) A copy of this permit and endorsed plans must be provided to all builders and contractors who are to work on site so they are aware of the conditions to which this approval is subject.**

**MOVED: Crs D Colbert/R Lowe**

**That Council approves an application for use and development of land, including buildings and works – mineral extraction – gypsum on CA4 Psh Kurnbrunin, Eckermann's Road Rainbow, subject to the following conditions:**

**Endorsed Plans**

- 1. The location and design of the development as shown on the endorsed plans shall not be altered or modified, whether or not in order to comply with any statute or statutory rule or local law or any other reason without the written consent of the Responsible Authority.**

**Amenity**

- 2. The mineral extraction site must be managed so that the amenity of the area is not detrimentally affected through the:**
  - (a) Transport of materials, goods or commodities to or from the land;**
  - (b) Appearance of any buildings, works or materials;**
  - (c) Emission of noise, artificial light, vibration, smell, fumes, smoke, vapour, steam, soot, ash, dust, waste water, waste products, grit, or oil;**
  - (d) Presence of vermin; or**
  - (e) In any other way.**
- 3. The site must be kept in an ordered and tidy state and its appearance must not prejudicially affect the amenity of the area.**
- 4. All loading and unloading of vehicles and delivery of goods to and from the premises must occur on site.**

**Engineering**

- 5. The applicant shall (at their cost) provide plans to upgrade the access point off Western Beach Rd to the property boundary in accordance with the Infrastructure Design Manual (produced by Local Government Infrastructure**

*Design Association). The plans shall be submitted to and approved by council before commencement of works.*

6. *The applicant shall (at their cost) provide plans to upgrade Western Beach Rd in accordance with design standards specified within the Infrastructure Design Manual to ensure the road is able to safely carry the expected heavy vehicle movements. Plans shall be submitted to council for approval of any required upgrades.*
7. *The applicant shall (at their cost) install the works identified in conditions five (5) and six (6) in accordance with the Infrastructure Design Manual.*

#### **Mining License MIN006003**

8. *All activities and works undertaken in association with mining on the subject land must be undertaken in accordance with Mining Licence MIN006003 and Work Plan endorsed by The Department of Economic Development, Jobs, Transport and Resources dated 30 September 2015.*

#### **Temporary Buildings**

9. *Before the use and/or development start(s), amended plans to the satisfaction of the responsible authority must be submitted to and approved by the responsible authority. When approved, the plans will be endorsed and will then form part of the permit. The plans must be drawn to scale with dimensions and three copies must be provided. The plans must be generally in accordance with the plans submitted with the application but modified to show:*
  - (a) *A site plan and elevations showing the location of the proposed temporary buildings (portable office and tea room).*

#### **Site Rehabilitation**

10. *The site must be rehabilitated upon cessation of the use in accordance with Mining Licence MIN006003 and Work Plan endorsed by The Department of Economic Development, Jobs, Transport and Resources dated 30 September 2015.*

#### **Permit Lapse/Extension**

11. *The development approved by this permit will expire if one of the following circumstances applies:*
  - (a) *The use is not commenced within two years of the date of this permit.*

- (b) The work authority issued under the provisions of the Mineral Resources (Sustainable Development) Act 1990 is cancelled in accordance with Section 770 of the Act.**

**The responsible Authority may extend the periods referred to if a request is made in writing before the permit expires, or:**

- (c) Within six months afterwards for commencement, or**  
**(d) Within twelve months afterwards for completion.**

**Notes:**

- (1) This permit is not a Building Permit. Please consult a Building Surveyor and ensure a Building Permit is obtained.**
- (2) A copy of this permit and endorsed plans must be provided to all builders and contractors who are to work on site so they are aware of the conditions to which this approval is subject.**

**CARRIED**

**10.2 APPLICATION FOR AMENDMENT TO PLANNING PERMIT 1514-2015 –  
116-120 LLOYD ST DIMBOOLA**

**Responsible Officer:** Director Infrastructure Services  
**File:** Planning – Applications  
**Assessment:** 025220  
**Applicant:** Graeme Schneider – Tomkinson Group  
**Owner:** Graeme Schneider  
**Subject Land:** Lots 1,2,3 and 4 TP805320  
**Proposal:** Amend planning permit to reconfigure approved four lot subdivision

**Zoning & Overlays:**

Commercial 1 Zone (C1Z)  
Heritage Overlay Schedule 34 (HO34) – Dimboola Town  
Centre Heritage Precinct  
Environmental Significance Overlay Schedule 6 (ESO6) –  
Catchments of Wetlands of Conservation Value;

**Attachments:** Attachment 3 – Subdivision plan

**Summary:**

This report recommends that Council approve amended planning permit application 1514-2015 to reconfigure a previously approved four lot subdivision.

**Background:**

Council, at its meeting on 6 April 2016, resolved to approve planning application 1514-2015 to resubdivide four lots. On the 31 October 2017, a further application to amend this planning application was received, which proposes to alter the approved endorsed plan, as well as area alterations to Lots 2,3, 4 and relocation of easements following direction from GWM Water.

**Proposal Details:**

The proposal is to alter the 4 approved lots as follows:

Lot 1 – No change.

Lot 2- increase in size from 1118m<sup>2</sup> to 1197m<sup>2</sup>, with easement changes as per plan submitted, and reconfiguration of boundary with Lot 4.

Lot 3 – increase in size from 728m<sup>2</sup> to 744m<sup>2</sup>, with additional easement.

Lot 4 – reduction in size from 1431m<sup>2</sup> to 1340m<sup>2</sup>, and reconfiguration of boundary with Lot 2.

The changes are considered significant enough to warrant an amendment to the planning permit.

**Requirement for Permit:**

A Planning permit is required under Clause 34.01-3 – Commercial 1 Zone of the Hindmarsh Planning Scheme to subdivide land. A permit is also required under Clause 43.01-1 – Heritage Overlay to subdivide land.

**Subject site & locality:**

The subject site is on land formerly occupied by the Dimboola Hotel. The land is currently vacant, and constitutes four lots. The surrounding locality primarily consists of commerce, offices and shops – the Dimboola CBD, with residential development surrounding. An application has been lodged to amend Permit 1514-2015 as per plans submitted with the proposal, changing the size of the approved lots as well as realigning easements as per the requirements of GWM Water.

**Public Notification:**

Section 52 of the Planning and Environment Act 1987 prescribes the requirements relating to giving notice as such:

***s52 Notice of application***

*(2) Unless the responsible authority requires the applicant to give notice, the responsible authority must give notice of an application in a prescribed form—*

- (b) to the owners (except persons entitled to be registered under the Transfer of Land Act 1958 as proprietor of an estate in fee simple) and occupiers of allotments or lots adjoining the land to which the application applies unless the responsible authority is satisfied that the grant of the permit would not cause material detriment to any person.*

The application is not required to be publicly notified under the provisions of the Planning and Environment Act 1987 as the proposal is not deemed to cause material detriment to any person for the following reasons:

- Given the proximity to dwellings and commerce within the area, the proposal will not adversely impact upon the landscape and general amenity of the area;
- The proposal is not increasing the number of lots on the subject land, and the purpose of the amendment application is to facilitate changes required by GWM Water;
- The proposal is not considered to negatively impact on the potential use of the subject and or surrounding land in the area.

It is therefore determined that the proposal will not cause material detriment to any person.

**Referrals:**

External Referrals/Notices Required by the Planning Scheme:

Section 55 Referrals: Re-referred through SPEAR to the following:

- GWM Water: Consent to certifying plan.
- Powercor: Consent to certify, compliance withheld.
- WCMA: No objection, consent to certification and issuance of statement of compliance.

Section 52 Notices: Not required.

Internal Referrals:

- Engineering: Conditions previously applied.
- Environmental Health: Not required.

### **Planning Assessment:**

#### Permit Requirement:

A Planning permit is required under Clause 34.01-3 – Commercial 1 Zone of the Hindmarsh Planning Scheme to subdivide land. A permit is also required under Clause 43.01-1 – Heritage Overlay to subdivide land.

#### Planning Scheme Requirements:

### **Planning Policy Framework:**

Clause 11 – Settlement

Clause 11.01 –Victoria

Clause 11.01-1R Settlement - Wimmera Southern Mallee

Clause 17 – Economic Development

Clause 17.01 - Employment

Clause 17.01-1S - Diversified economy

Clause 17.01-1R - Diversified economy - Wimmera Southern Mallee

Clause 21 – Municipal Strategic Statement

### **Zoning Provisions:**

Clause 34.01– Commercial 1 Zone

### **Overlay Provisions:**

Clause 43.01– Heritage Overlay Schedule 34 – Dimboola Town Centre Heritage Precinct

Clause 42.01 - Environmental Significance Overlay Schedule 6 (ESO6) – Catchments of Wetlands of Conservation Value

### **Particular Provisions:**

None Applicable

### **General Provisions:**

Clause 65 – Decision Guidelines, states that:-

*“Because a permit can be granted does not imply that a permit should or will be granted. The responsible authority must decide whether the proposal will produce acceptable outcomes in terms of the decision guidelines of this clause”.*

The decision guidelines relevant to this application are stated within Clause 65.01 of the Hindmarsh Planning Scheme – Approval of an application or plan.

Before deciding on an application or approval of a plan, the responsible authority must consider, as appropriate:

- The matters set out in Section 60 of the Act.
- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The purpose of the zone, overlay or other provision.
- Any matter required to be considered in the zone, overlay or other provision.
- The orderly planning of the area.
- The effect on the amenity of the area.
- The proximity of the land to any public land.
- Factors likely to cause or contribute to land degradation, salinity or reduce water quality.
- Whether the proposed development is designed to maintain or improve the quality of stormwater within and exiting the site.
- The extent and character of native vegetation and the likelihood of its destruction.
- Whether native vegetation is to be or can be protected, planted or allowed to regenerate.
- The degree of flood, erosion or fire hazard associated with the location of the land and the use, development or management of the land so as to minimise any such hazard.
- The adequacy of loading and unloading facilities and any associated amenity, traffic flow and road safety impacts.

It is considered that the application complies with the relevant decision guidelines as outlined.

**Discussion:**

The application has been assessed against the Planning Policy Framework within the Scheme, and it is considered that the proposed use is consistent with relevant policies contained within this section of the Hindmarsh Planning Scheme.

Clause 34.01-8 of the Hindmarsh Planning Scheme – Commercial Zone, Decision guidelines, states that:

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

### General

- The Municipal Planning Strategy and the Planning Policy Framework.
- The interface with adjoining zones, especially the relationship with residential areas.

### Planning Response:

The proposed subdivision is considered to meet the applicable decision guidelines as outlined above. The Municipal Planning Strategy and the Planning Policy Framework have been considered within this proposal, and the subject land does not directly abut any residential areas.

### Use

- The effect that existing uses may have on the proposed use.
- The drainage of the land.
- The availability of and connection to services.
- The effect of traffic to be generated on roads.
- The interim use of those parts of the land not required for the proposed use.

### Planning Response:

Not Applicable. The proposal is not an application to use the land.

### Subdivision

- Provision for vehicles providing for supplies, waste removal and emergency services and public transport.
- The effect the subdivision will have on the potential of the area to accommodate the uses which will maintain or enhance its competitive strengths.

### Planning Response:

It is considered that the amended subdivision proposal is appropriate within the area, being the CBD of Dimboola, and will facilitate better servicing of the allotments. The future use of the land and any necessary permits will be determined in accordance with the requirements of the Hindmarsh Planning Scheme and the Commercial 1 zone in particular.

### Building and works

- The movement of pedestrians and cyclists, and vehicles providing for supplies, waste removal, emergency services and public transport.
- The provision of car parking.
- The streetscape, including the conservation of buildings, the design of verandahs, access from the street front, protecting active frontages to pedestrian areas, the treatment of the fronts and backs of buildings and their appurtenances, illumination of buildings or their immediate spaces and the landscaping of land adjoining a road.
- The storage of rubbish and materials for recycling.

- Defining the responsibility for the maintenance of buildings, landscaping and paved areas.
- Consideration of the overlooking and overshadowing as a result of building or works affecting adjoining land in a General Residential Zone, Neighbourhood Residential Zone, Residential Growth Zone or Township Zone.
- The availability of and connection to services.
- The design of buildings to provide for solar access.
- The objectives, standards and decision guidelines of Clause 54 and Clause 55. This does not apply to an apartment development.
- For an apartment development, the objectives, standards and decision guidelines of Clause 58.

Planning Response:

The only works proposed will be associated with the provision of services to the subject land.

**Strategic, Statutory and Procedural Requirements:**

The proposal is consistent with the State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.

**Report to Council:**

The Coordinator Planning and Development advises that all obligations of Council (strategic, statutory and procedural) have been addressed and discharged in this planning application.

**Processing Times:**

The application was lodged on 15 September 2017. The report is being presented to Council for approval at its meeting on 15 August 2018 (335 days). The statutory processing time requirements of the Planning and Environment Act 1987 have not been satisfied in this instance.

**Conflict of Interest:**

Under section 80c of the Local Government Act 1989 officers providing advice to Council must disclose any interests, including the type of interest.

Officer Responsible – Janette Fritsch, Acting Director Infrastructure Services

In providing this advice as the Officer Responsible, I have no disclosable interests in this report.

Author – Andre Dalton, Coordinator Planning and Development

In providing this advice as the Author, I have no disclosable interests in this report.

**RECOMMENDATION:**

***That Council approves an application to amend planning application 1514-2015 to re-subdivide land at Lots 1-4, TP805320 (116-120 Lloyd St Dimboola) to create four lots, subject to the following conditions:***

**Formal Plans of Subdivision:**

- 1. The formal plan of subdivision lodged with Council for certification must be in accordance with the Endorsed Plan and must not be modified except to comply with statutory requirements or with the written consent of the Responsible Authority.***

**GWM Water Conditions:**

- 2. The owner/applicant must install sewerage mains and associated works to individually serve each lot of the proposed development, at the owner's cost, in accordance with GWM Water's requirements.***
- 3. The owner/applicant must provide individual sewer services to each lot in accordance with GWM Water's requirements.***
- 4. The owner/applicant must provide plans and estimates of all proposed sewerage works prior to commencement for GWM Water's approval.***
- 5. The owner/applicant must pay to GWM Water a fee of 3.25% of the total cost of construction (including design and supervision) for its review of design documentation and supervision of works. This fee relates to checking that all works are designed and constructed in accordance with GWM Water's requirements and does not relieve the developer from ensuring proper design and appropriate supervision.***
- 6. The owner/applicant must provide three metre wide easements in favour of GWM Water's overall existing and proposed sewers within private land.***
- 7. The owner/applicant must provide written notification of commencement of the works to enable GWM Water to organise inspections and coordinate with its staff.***
- 8. The owner/applicant must provide "as constructed" plans and a schedule of final asset costs at the level identified in GWM Water's asset register for all sewerage works on completion.***
- 9. The plan of subdivision submitted for certification must be referred to GWM Water in accordance with Section 8 of the Subdivision Act.***

**Powercor:**

- 10. The plan of subdivision submitted for certification under the Subdivision Act 1988 shall be referred to Powercor Australia Ltd in accordance with Section 8 of that Act.***

**The applicant shall:-**

- Provide an electricity supply to all lots in the subdivision in accordance with Powercor's requirements and standards, including the extension,***

***augmentation or re-arrangement of any existing electricity supply system, as required by Powercor (A payment to cover the cost of such work will be required). In the event that a supply is not provided the applicant shall provide a written undertaking to Powercor Australia Ltd that prospective purchasers will be so informed.***

- ***Where buildings or other installations exist on the land to be subdivided and are connected to the electricity supply, they shall be brought into compliance with the Service and Installation Rules issued by the Victorian Electricity Supply Industry. You shall arrange compliance through a Registered Electrical Contractor.***
- ***Any building must comply with the clearances required by the Electricity Safety (Network Assets) Regulations.***
- ***Any construction work must comply with the Officer of the Chief Electrical Inspector "No Go Zones" rules.***
- ***Set aside on the plan of subdivision for the use of Powercor Australia Ltd reserves and/or easements satisfactory to Powercor Australia Ltd where any electric substation (other than a pole mounted type) is required to service the subdivision.***

***Alternatively, at the discretion of Powercor Australia Ltd a lease(s) of the site(s) and for easements for associated powerlines, cables and access ways shall be provided. Such a lease shall be for a period of 30 years at a nominal rental with a right to extend the lease for a further 30 years. Powercor Australia Ltd will register such leases on the title by way of a caveat prior to the registration of the plan of subdivision.***

- ***Provide easements satisfactory to Powercor Australia Ltd, where easements have not been otherwise provided, for all existing Powercor Australia Ltd electric lines on the land and for any new powerlines required to service the lots and adjoining land, save for lines located, or to be located, on public roads set out on the plan. These easements shall show on the plan an easement(s) in favour of "Powercor Australia Ltd" for "Powerline Purposes" pursuant? Section 88 of the Electricity Industry Act 2000.***
- ***Obtain for the use of Powercor Australia Ltd any other easement external to the subdivision required to service the lots.***
- ***Adjust the position of any existing easement(s) for powerlines to accord with the position of the line(s) as determined by survey.***
- ***Obtain Powercor Australia Ltd's approval for lot boundaries within any area affected by an easement for a powerline and for the construction of any works in such an area.***
- ***Provide to Powercor Australia Ltd, a copy of the version of the plan of subdivision submitted for certification, which shows any amendments which have been required.***

**11. Shire Engineering Requirements:**

- a) **Lots 1, 2 and 3 are entitled to one crossover entering from Lochiel Street built to Council standards.**
- b) **Lot 4 is to be serviced via the existing crossover from Victoria Street.**
- c) **The Legal Point of Discharge (LPD) for lots 1, 2 and 3 are to be located on the Northern boundary of each lot.**
- d) **The LPD connections are to be made into Council's existing underground storm water system located in the road reserve of Lochiel Street.**
- e) **The LPD for lot 4 is to be located on the western boundary.**
- f) **The LPD connection is to be made into Council's Kerb and Channel located in the road reserve of Victoria Street.**
- g) **The land owner is responsible for the construction and maintenance of each LPD connection.**
- h) **All connections will be constructed to Council standards.**
- i) **Any storm water pipes and pits are to be designed to Council's standards.**
- j) **Any future development will require storm water detention systems designed to Council's satisfaction.**
- k) **All works undertaken in the road reserve requires a road opening permit.**

**12. This Permit will expire if:**

- 12.1. **The Plan of Subdivision is not certified within three years of the date of this Permit, or**
- 12.2. **The registration of the subdivision is not completed within five years of the date of the certification of the plan of subdivision.**

**The Responsible Authority may extend the permit if a request is made in writing before the permit expires or within three months afterwards.**

**MOVED: Crs R Lowe/D Colbert**

**That Council approves an application to amend planning application 1514-2015 to re-subdivide land at Lots 1-4, TP805320 (116-120 Lloyd St Dimboola) to create four lots, subject to the following conditions:**

**Formal Plans of Subdivision:**

- 1. **The formal plan of subdivision lodged with Council for certification must be in accordance with the Endorsed Plan and must not be modified except to comply with statutory requirements or with the written consent of the Responsible Authority.**

**GWM Water Conditions:**

2. ***The owner/applicant must install sewerage mains and associated works to individually serve each lot of the proposed development, at the owner's cost, in accordance with GWM Water's requirements.***
3. ***The owner/applicant must provide individual sewer services to each lot in accordance with GWM Water's requirements.***
4. ***The owner/applicant must provide plans and estimates of all proposed sewerage works prior to commencement for GWM Water's approval.***
5. ***The owner/applicant must pay to GWM Water a fee of 3.25% of the total cost of construction (including design and supervision) for its review of design documentation and supervision of works. This fee relates to checking that all works are designed and constructed in accordance with GWM Water's requirements and does not relieve the developer from ensuring proper design and appropriate supervision.***
6. ***The owner/applicant must provide three metre wide easements in favour of GWM Water's overall existing and proposed sewers within private land.***
7. ***The owner/applicant must provide written notification of commencement of the works to enable GWM Water to organise inspections and coordinate with its staff.***
8. ***The owner/applicant must provide "as constructed" plans and a schedule of final asset costs at the level identified in GWM Water's asset register for all sewerage works on completion.***
9. ***The plan of subdivision submitted for certification must be referred to GWM Water in accordance with Section 8 of the Subdivision Act.***

**Powercor:**

10. ***The plan of subdivision submitted for certification under the Subdivision Act 1988 shall be referred to Powercor Australia Ltd in accordance with Section 8 of that Act.***

***The applicant shall:-***

- ***Provide an electricity supply to all lots in the subdivision in accordance with Powercor's requirements and standards, including the extension, augmentation or re-arrangement of any existing electricity supply system, as required by Powercor (A payment to cover the cost of such work will be required). In the event that a supply is not provided the applicant shall provide a written undertaking to Powercor Australia Ltd that prospective purchasers will be so informed.***

<b>11. REPORTS REQUIRING A DECISION</b>
---

**11.1 REQUEST FOR CO-FUNDING FOR INSTALLATION OF A NEW BOAT LAUNCHING PONTOON ON THE WIMMERA RIVER AT DIMBOOLA ROWING CLUB**

**Responsible Officer:** Director of Corporate and Community Services

**Introduction:**

This report seeks financial support for a project to install a new boat launching pontoon on the Wimmera River at Dimboola Rowing Club

**Discussion:**

Dimboola Rowing Club has requested Council's financial support to assist with the replacement of the existing boat launching ramp on the river at their Club facility, with a new boat launching pontoon.

The original ramp which is well past its use by date will be replaced with a new marine grade aluminium sub structure on moulded flotation modules with self-cleaning decking panels. The cost for the supply and installation of the new structure is approximately \$130,000 excl GST.

Significant funding is in the process of being obtained for this project with Wimmera Catchment Management Authority planning to secure approximately \$85,000. The Club has spoken with the preferred contractor (who has also installed Council's various fishing and boating pontoons on the Wimmera River) who has responded that they should be able to complete works within the above timeframe.

The Dimboola Rowing Club has indicated that they will be able to contribute \$20,000 towards the installation of the new boat launching pontoon.

Additionally the Club will provide in kind support for the project by undertaking the removal of the existing timber ramp and concrete piers (Petschel Earthmoving and Club members).

It is recommended that Council match the Dimboola Rowing Club contribution up to \$25,000 to the project to install a fishing pontoon on the Nhill Lake.

Council's contribution would be allocated from recurrent ledger 30104 - Council Contribution to Grant Funded Projects.

The new boat launching pontoon will provide easier, safer access to the river for Dimboola Rowing Club members during training and for many more users engaged in rowing competition during the Dimboola Rowing Regatta, which has been staged annually for more than a century.

Members of Dimboola Warreguka Inc. (Dragon Boat Club) will also benefit from this project, with the installation of a new boat launching pontoon making it easier to get the heavy dragon boats in to the water. Additionally, the new boat launching pontoon will provide further access to the water for visitors to the Recreation Reserve and adjacent Riverside Holiday Park.

**Link to Council & Community Plans:**

It is expected that the Boat Launching Pontoon will further promote the Wimmera River as a destination for both locals and tourists alike, an objective identified in both the Dimboola Precinct Plan 2016 and the Hindmarsh Shire Recreation Strategy 2016.

The installation of a Boat Launching Pontoon will also align with objectives identified in the Council Plan 2017-2021

**Strategic Objectives:**

- 1.3 A community that is physically active with access to a wide range of leisure, sporting and recreational activities.
- 2.1.4 Enhance river and lakes environment to support informal recreation and social interaction (subject to funding)
- 3.2 A thriving tourism industry
- 3.2.2 Promote and continue to develop our tourism facilities.

**Financial Implications:**

Council has a budget allocation of \$50,000 for 2018/19 in 30104 - Council Contribution to Grant Funded Projects \$25,000.

**Conflict of Interest:**

Under section 80c of the Local Government Act 1989 officers providing advice to Council must disclose any interests, including the type of interest.

Officer Responsible – Monica Revell, Director Corporate & Community Services  
In providing this advice as the Officer Responsible, I have no disclosable interests in this report.

Author – Simon Landrigan, Community Development Coordinator  
In providing this advice as the Author, I have no disclosable interests in this report.

**Risk Management Implications:**

Council to ensure contractor induction is completed prior to installation and appropriate safety signage is installed on the pontoon.

**Communications Strategy**

All relevant stakeholders will be consulted about the project via the Wimmera River Stakeholders Advisory Group.

Media release detailing project collaboration between Rowing Club, WCMA and Council.

**RECOMMENDATION:**

***That Council allocates up to \$25,000, to be matched by an equivalent financial contribution from the Dimboola Rowing Club, and subject to a grant of at least \$85,000 from the Wimmera CMA, towards the Boat Launching Pontoon Project in Dimboola.***

**MOVED: Crs R Gersch/D Nelson**

***That Council defers this matter until a further report is presented to Council.***

## 11.2 PROCUREMENT POLICY REVIEW

**Responsible Officer:** Director Corporate and Community Services  
**Attachment Number:** 4

### **Introduction:**

Council's Procurement Policy is the key operational policy for tendering, quotations for and purchasing of goods and services. The intent of the Procurement Policy is to achieve best value outcomes and ensure high standards of probity and accountability in Council's procurement of goods, services and works. The current policy was adopted on 7 February 2018.

### **Discussion:**

The *Local Government Act 1989* (the Act) section 186A requires Council to prepare, approve and comply with a Procurement Policy encompassing the principles, processes and procedures applied to all purchases of goods, services and works by the Council. Council must review the Procurement Policy annually and make it available for public inspection at Council offices and on its website.

The purpose of this Policy is to:

1. provide policy and guidance to Council to allow consistency and control over Procurement activities;
2. demonstrate accountability to rate payers;
3. provide guidance on ethical behaviour in public sector purchasing;
4. demonstrate the application of elements of best practice in purchasing; and
5. increase the probability of obtaining the right outcome when purchasing goods and service

The policy applies to all contracting and procurement activities at Council and is binding upon Councillors, Council staff and temporary employees, contractors and consultants while engaged by Council.

Council recommended at its meeting on 1 August 2018 that any consequential amendments arising from the decision made in item 14.1 (Supply of Bulk and Bowser Fuel and Variation to CEO delegation) be made to Council's Procurement Policy adopted on 7 February 2018.

Consequential changes required are as follows:

#### **2.3.2.1 Tenders**

Removing reference to Tender thresholds applying for one financial year.

Updating the reference to tenders to read as follows:

Purchase of all goods and services for which the estimated expenditure exceeds \$150,000 (inclusive of GST) and building and construction works for which the estimated

expenditure exceeds \$200,000 (inclusive of GST), must be undertaken by public tender as per the thresholds contained in the Local Government Act, except that these limits shall not apply for the supply of fuel for plant and vehicles provided that:

- Arrangements entered into must satisfy an approved Ministerial arrangement under s186(5)(c) of the Local Government Act 1989 which provides for exemption from other provisions of s186 of the Act requirements for public tendering by a Council, and
- The Chief Executive Officer must consider price and any potential effect on local businesses of any contract entered into, before entering into such a contract.

It was also determined that with increased discussion and investigations into Share Services, that a new paragraph be included:

### **2.3.5 Shared Services**

Where Council has entered into Shared Services with one or more Councils, individual Councils will not be required to obtain tender/quotations. Tenders/quotations will be sought by the lead Council and approved according to the individual Council's procurement policy.

An additional dot point has been added to 2.3.2.2 Quotations to exempt the need for written quotations for purchases of up to \$1,000 as this is not always practical.

#### **Link to Council Plan:**

Strategic Objective 4.1: Long-term financial sustainability.

Strategic Objective 4.6: An organisation that takes risk management responsibilities seriously and embeds a culture of risk management throughout the organisation.

#### **Financial Implications:**

The Procurement Policy provides the processes to be followed when tendering for goods and services. Financial delegations are assigned to positions and authorise limits for signing purchase orders and authorising invoices.

#### **Risk Management Implications:**

Purchases and payments are reviewed regularly by the Finance team to ensure compliance with the policy.

#### **Conflict of Interest:**

Under section 80C of the LGA officers providing advice to Council must disclose any interests, including the type of interest.

Officer Responsible & Author: Monica Revell, Director Corporate & Community Services  
In providing this advice as the Officer Responsible & Author, I have no interests to disclose.

**Communications Strategy:**

The Procurement Policy is available to key suppliers and available on Council's website.

**RECOMMENDATION:**

***That Council updates the Procurement Policy to alter section 2.3.2.1 Tenders and include section 2.3.5 Shared Services.***

**MOVED: Crs R Gersch/D Nelson**

***That Council updates the Procurement Policy to alter section 2.3.2.1 Tenders and include section 2.3.5 Shared Services.***

### 11.3 PUBLIC ARTS POLICY

**Responsible Officer:** Director Corporate and Community Services

**Attachment Number:** 5

#### **Introduction:**

This report presents the draft Public Arts Policy and seeks adoption by Council.

#### **Discussion:**

Item 1.3.2 of Hindmarsh Shire Council's Council Plan 2017-2021 (Plan) lists the development and promotion of a public art / street art policy.

The purpose of this policy is to provide guidance to Council in ensuring the decision making process considers design, placement and conservation of public art spaces in the Hindmarsh Shire. The aim is to ensure artworks are:

- Placed strategically
- Relevant to our community
- Appropriate to the context, with consideration given to Indigenous or other Heritage within the community, if applicable
- High aesthetic value and of excellent quality, and
- Pose no danger to our environment or to people

The policy applies to all areas of public art including:

- Council commissioned or acquired art
- Art proposed by community groups of individuals
- Art proposed for public spaces within Council or private developments
- Permanent pieces, and
- Temporary installations.

The policy outlines three stages for consideration, consultation and assessment with Councillors responsible for the final approval of any public art.

1. Proposal consideration and assessment
2. Community Consultation
3. Decision

The policy also specifies requirements for contract arrangements, ensuring the following requirements are included:

- Terms and conditions of delivery, presentation and installation timelines;
- Budget and payment schedule;
- Copyright and intellectual property;
- Intended life of the artwork;
- Insurance;
- Occupational Health and Safety;
- Maintenance schedule;

- Ownership;
- Signage acknowledging the artist and funding body (if required);
- Repairs and Damage, and
- Building permits and Town Planning Permits where required.

**Options:**

1. Council can choose to adopt the Public Arts Policy as presented.
2. Council can choose to amend the Public Arts Policy prior to adoption.

**Link to Council Plan:**

Strategic Objective 1.3: A community that is physically active with access to a wide range of leisure, sporting and recreation facilities.

**Financial Implications:**

When approving public art, consideration will need to be given to the design, installation and maintenance costs.

**Risk Management Implications:**

No risk management implications identified.

**Conflict of Interest:**

Under section 80C of the LGA officers providing advice to Council must disclose any interests, including the type of interest.

Officer Responsible & Author: Monica Revell, Director Corporate & Community Services

In providing this advice as the Officer Responsible and Author, I have no interests to disclose.

**Communications Strategy:**

The Public Arts Policy will be available on Council's website.

**RECOMMENDATION:**

***That Council adopts the Public Arts Policy.***

***MOVED: Crs D Colbert/D Nelson***

***That Council adopts the Public Arts Policy, with an amendment on page 3 from "Council will place a public notice..." to "Council may place a public notice...".***

15 August 2018

Mr Ken Lehmann  
33 High Street  
DIMBOOLA VIC 3414

Dear Ken

At its meeting on 1 August 2018, Council resolved that I write on its behalf to congratulate you on your contribution and service to Bands in the Wimmera over the past seventy five years.

The commitment and dedication you have displayed to enable you to play the tuba for that long is a fantastic achievement and something that you, your family and the broader Dimboola community should be extremely proud of.

Your contribution initially to the Warracknabeal Band and then Nhill – Dimboola Band for a further 28 years, including the period of 1968 – 1976 where you were the President, is testament of your passion to music.

Being awarded with Life Membership of the Nhill and Dimboola Band in 2017 and the Victorian Band League is further recognition of your services to music.

I am sure your fellow band members will miss you in your retirement and no doubt you will have made many friends and created a lot of memories over your time with the Warracknabeal, Nhill and Dimboola Bands.

It would be an interesting exercise to determine how many functions and events you have performed at during your time as a bandsman.

Finally, Council once again congratulates you on your amazing achievement and your commitment to providing the Wimmera with music for so many years and we wish you good health in your retirement.

Yours sincerely

Greg Wood  
Chief Executive Officer

## ASSEMBLY OF COUNCILLORS RECORD

*Assembly of Councillors means a planned or scheduled meeting of at least 3 councillors and one member of council staff which considers matters that are intended or likely to be:*

- a) the subject of a decision of the Council; or*
- b) subject to the exercise of a function, duty of power of the council that has been delegated to a person or committee; but does not include a meeting of the Council, a special committee of the Council, a club, association, peak body, political party or other organisation.*

# MINUTES

## NHILL TOWN COMMITTEE

Monday 16th July 2018

---

### 1. In Attendance

Brian McGennisken, Helen Ross, Pauline McCracken, David Colbert, Kay Frost, Janette Fritsch (representing Shane Power)

---

### 2. Apologies

Lyn Schoolderman, David Borain

---

### 3. Minutes

Motion to accept the minutes of the previous meeting, circulate by email was proposed by Helen R and seconded by Brian. All in favor, motion passed.

---

### 4. Finance Report

There was no finance report due to the absence of the Treasurer. Brian offered a copy of the current bank statement should anyone have a question. There were no questions. Motion to defer the financial reporting to next month was raised by Helen R, seconded by Pauline. All in favor, motion passed

---

### 5. Correspondence

Correspondence was read and discussed. No particular action required on any item. Motion to accept the correspondence as read was proposed by Helen R, seconded by Kay Frost, all in favor, motion passed

---

### 6. Business Arising

See above

---

### 7. New Business

1. Erection date for Town Street Christmas Decorations was discussed. Monday December 3<sup>rd</sup> was decided as the best date for the Committee and the Shire. Janette suggested that it would be necessary to talk with the team leader with regards to the additional Christmas Banners the Committee would like to be hung on the poles in Goldsworth Park Car Parking Area. Janette will arrange this meeting.

2. A quick discussion was made on the request by Sharon Malony to partner with the Town Committee in a 'Pick my Project' application. It was clear that the Town Committee did not meet the necessary criteria required to qualify as a partner for this project. Helen was tasked with advising Sharon as to that fact.

3. Discussion on the Anniversary Celebrations for the Little Dessert Lodge have stalled due to the change of ownership of the Lodge. Kay Frost will advise if this situation changes.

4. Brin was unable to contact members of the Masonic Lodge with regards to partnering with the Town Committee in some of our events. He obtained the addresses and passed them on to the Secretary for contact.

5. Date for Photos in the Rotunda is set for Wednesday 19<sup>th</sup> December 2018 and has been placed on the calendar. The Tourism/Business Group will be advised as to the date in the hope that they will organize the "Late Night Shopping" on the same date.

6. Question on Late Night Shopping – see above

7. Date for erection of the Christmas Tree in the Rotunda. 1<sup>st</sup> December 2108 was selected as the most suitable date. Working bee to be arranged closer to the date.

8. Discussion on band and food vendor for NYE. Pauline will contact Celia (Asian Food Van) and Helen will attempt to contact Dave McMaster re the entertainment.

---

8. Meeting closure

8.57 p.m.

---

9. Next Meeting

20<sup>th</sup> August 2018 7.30 p.m.

**RAINBOW TOWN COMMITTEE MEETING MONDAY 23<sup>RD</sup> JULY 2018**

Held at Civic Centre Small Meeting room started @7.32 pm

**Visiting:** Mayor Cr Ron Ismay and Liaison Officer Wayne Schulz,

**Members attending:** Michael Sullivan, Ross Heinrich, Bill Hutson, Greg Roberts, Adrian Bennet, Peta Bennet, Phillip Molesworth, Julie McLean and

**Chairperson:** declares meeting open and welcome to all attending.

**Apologies:** Leonie Clarke and Peta Bennet

**Motion:** to accept apologies

**Moved:** Phillip Molesworth/Michael Sullivan - carried

*Declaration by members of any conflict of interest in any item of the agenda, either,*

- ) Direct; or
- ) Indirect interest of one of five types;
  1. a close association;
  2. an indirect financial interest;
  3. a conflicting duty;
  4. an applicable gift or
  5. a party to the matter in any term on the agenda
  6. An impact on residential amenity.

Chairman requests members declare any known conflicts of and/or pecuniary interests.

Minutes from June as circulated.

**Business arising:** from last meeting. No

**Motion:** to adopt circulated June minutes as correct

**Motion:** *to receive treasures report*

Moved: Adrian Bennett/Phillip Molesworth - carried

**Cr Report:** Mayor Cr Ron Ismay

- ) Reported that the Off Road Enduro was still on
- ) Human Powered Vehicle event happening in Dimboola the week before the Enduro
- ) Have sealed the road Rainbow side of Outlet Bridge
- ) S bends at Hiscock's is going to have improvements before long
- ) Investigations are being carried out re widening the Outlet Bridge
- ) The budget has been adopted

**Motion:** to receive Cr Report

Moved: Michael Sullivan/Greg Roberts - carried

**Question:**

Greg Roberts asked which side of silo would they paint on the Albacutya silo if Bernard Young's application was successful Mayor Ron Ismay indicated that he thought the South and East side.

**Liaison Officer Report:** Wayne Schulz

- ) Tree strategy Technical guide lines and preferred tree list will be available for public comment shortly.
- ) Grading works carried out in the Kenmare area and now some of the Pigick area at the moment.
- ) From a storm there have been a lot of trees blown down resulting in tree removal being undertaken.
- ) Skate Park equipment: at the old site and fencing still to be removed.
- ) Swimming pool contracts close on the third of August, have had tender interest.

**Positions vacant:**

- ) Truck and trailer position working out of the Jeparit depot.
- ) Tractor/roller: position.
- ) Three positions mostly clean ups and tree trimming trees two working out of Nhill and one from Jeparit.

At this point of time Phillip Molesworth informed the meeting that one dump point sign Location could be improved coming in from Jeparit as it was covered by trees, suggesting it should be closer to the intersection.

There was some discussion regarding disabled parking in rainbow, but was not resolved.

**Motion:** to receive Liaison Officer report

**Moved:** Phil Molesworth/Julie Mc Lean - carried

**Inwards correspondence:**

- ) Email: from Phil King advising that the \$3,000 was additional money left over from another project and being utilized for town entrance
- ) Phil King: advised that council also had \$10,000 available for the town entrance project
- ) Phone call: from Phil King re if RTC had any money available for a contribution to the Rec reserve / Caravan Park master Plan Project.
- ) Email: from Phil King re engaging the services of a professional to convert Ben Goslings town entrance Vector file format photo to CAD DXF to get the plans to scale to allow the rainbow tails to be Laser cut at Smalldale there has to be a slight design change to the tails but does not seem to look out of place will have photo at meeting.
- ) Poster: Wimmera Regional Sports Assembly Good Governance (fw)
- ) Email: from Monica Revell re Conflict of interest (fw)
- ) Email: from Adrian Bennett re amendment/motion Silo funding. (fw)
- ) Email: from Pam Newton re Rainbow & District Secondary Education Centenary 1919 – 2019. (fw)

**Request from Adriane Bennett** information supplied by email from forwarded correspondence  
**From meeting held 26/04/2018**

**Mystery House allocated funds:**

**Discussion:** The re allocation of these funds was discussed as heritage had now taken possession of the building putting the project well and truly out of our reach it was suggested to re allocate most of the fund to Silo Art but leave a small amount in the account so that it was still open in the hope that one day money becomes available.

**Motion:** to re allocate \$7,400.00 of mystery House project funds to silo Art Trail funding.

**Moved:** Leonie Clarke / Michael Sullivan – carried

**Note:** this leaves a balance of about \$282.29 in Mystery House account.

***The Amendment/Motion would then read.***

**Motion: I Move that:** The Rainbow Town Committee reallocate \$7,400.00 from the mystery House project funds. That a new Project be named the Rainbow Silo Art Trail Project and that the \$7,400.00 reallocated from the Mystery House Project are to be used for the purpose of silo art within the township of Rainbow.

**Moved:**

**Rebottle from Adrian:**

The reasoning behind this Amendment/Motion is to clarify that the funds made available by the Rainbow Town Committee, will be spent within the township of Rainbow. The original motion is to open ended and may be seen by the managing committee, as the funds can be used anywhere within the entire project, and not for the purpose intended by the original motion.

Chairperson Ross Heinrich felt that this request from Adrian Bennett should be placed on August agenda for the following reasons.

- ) Emailed in early afternoon prior to the meeting where 48 hours is a minimum requirement under our section 86 regulations.
- ) Possibly not all committee members would have been aware of this important request as it was only discovered and circulated a couple of hours before the meeting.
- ) The mover of the original motion Leonie Clarke was an apology.

Therefore the Chairperson ruled that this Amendment/Motion be dealt with at the next RTC meeting scheduled for the 27<sup>th</sup> August 2018 to allow all members to be fully aware of the proposed changes.

**Outwards correspondence:**

Letter: sent to Stephan Nicholson re burning near hospital.

Email: sent to Phil King Re \$3,000 for RTC account

Emailed: paper work from visit by Bi Laws Officer re burning, there is quite extensive regulations and heavy fines to be imposed if the rules are broken. (Fw)

**Chairperson Ross Heinrich:** asked were there any questions regarding correspondence.

**Motion:** to receive inwards correspondence and endorse outward correspondence

**Moved:** Greg Roberts/Julie McLean - carried

**General Business**

**Funding for Rec reserve / Caravan Park Project:**

It was the feeling of the committee that it could not consider this until it had a final costing for the town entrance project.

Chairperson Ross Heinrich wished all those involved with the Desert Enduro a successful event.

**As there was no further business Chairperson Ross Heinrich thanked all for their attendance and closed meeting@ 8.13pm**
