C003 Councillor Expense Entitlements Policy

1 Purpose

The purpose of this policy is to define the parameters for the reimbursement of necessary out of pocket expenses incurred while performing duties as a Councillor or a Delegated Committee member as provided by section 41 of the *Local Government Act 2020*.

This policy supports Councillors and members of Delegated Committees and the Audit and Risk Committee to perform their role, as defined under the *Local Government Act 2020*, by ensuring that expenses reasonably incurred in the performance of their role are reimbursed.

The Act provides that a Council must adopt and maintain an expenses policy in relation to the reimbursement of out-of-pocket expenses for Councillors and members of delegated committees.

A policy adopted under Section 41 of the Act must:

- specify the procedures to be followed in applying for reimbursement and in reimbursing expenses;
- comply with any requirements prescribed by the regulations in relation to the reimbursement of expenses; and
- provide for the reimbursement of childcare costs where the provision of childcare is reasonably required for a Councillor or a member of a delegated committee to perform their role; and
- have particular regard to expenses incurred by a Councillor who is a carer in a care relationship within the meaning of Section 4 of the *Carer's Recognition Act 2012*.

2 Scope

This policy applies to all Councillors including the Mayor and all Delegated Committee Members and members of the Audit and Risk Committee, when undertaking duties and activities that are part of their role.

Council provided communications equipment is to be used for Council-related business activities, however it is acknowledged that on occasion there may be limited personal use of communications equipment. Councillors are required to reimburse Council for the cost of their personal use of the equipment.

This will not apply to Delegated Committee Members.

- b) Personal Accident - Corporate Travel;
- c) Councillors and Officers Liability Insurance (Statutory Liability is incorporated into this policy);

All policies have limitations, and most policies require parties covered to act honestly, act in good faith and not act recklessly. Insurance policies generally have requirements for early notification to the insurer of potential claims, the right for the insurer to take over the handling of the matter and appoint lawyers and settle the matter and a requirement for full and frank disclosure of all relevant material.

Council will pay any applicable policy excess in respect of claims made against a Councillor arising from Council business where any claim is accepted by Council Insurers.

7.8 Legal costs

Council will only meet legal expenses incurred as a result of a Councillor, member of a Delegated Committee or a Community Asset Committee performing official duties in accordance with s43 of the *Local Government Act 2020*.

If a Councillor requires legal advice in connection with his or her functions as a Councillor, Council may facilitate and fund such legal advice by resolution. Council will evaluate any request of a Councillor for legal advice against the following criteria—

- c) The extent to which the subject matter of the required advice will or is likely to be of interest to all Councillors
- d) The public interest
- e) Any other relevant considerations

If the Councillor's need for legal advice cannot be deferred until consideration by Council, the CEO may facilitate such legal advice and confirm that Council will meet expenses, after taking into consideration the same criteria used by Council, above.

In the event that legal advice relates to a writ, action or pending action against Council or Councillors, the Councillors must provide a copy of the writ or action or provide information which may lead to action to the CEO, who will advise Council's insurers as soon as possible, in accordance with Council's insurance policy conditions.

Claims for reimbursement for assistive devices or assistive personnel will only be considered where the use of the device or the assistance required, relates specifically to the performance of a Councillor's duties.

10 Exclusions

Any expenses arising from a breach of road, traffic, parking or other regulations or laws including Council Local Laws, will not be reimbursed or funded in any way by Council.

11 Delegated Committee Members

This policy will apply to Delegated Committee Members in the same way as Councillors unless expressed otherwise.

12 Submission of claims

All claims are to be submitted on the Travel Claim Form or Creditor Voucher (as applicable). All claims should be accompanied by fully accredited receipts/tax invoices for any expenses claimed. If receipts cannot be produced, Councillors may be required to provide a statutory declaration.

All claims must include sufficient detail to demonstrate that, in accordance with the Act, the expense for which the reimbursement is claimed is a reasonable bona fide out-of-pocket expense incurred while performing the duties of a Councillor.

All claims for allowances or reimbursements including travelling should be made monthly. This is to ensure transparency and accountability. It is the responsibility of the Councillor to make timely claims. Claims not made within 6 months of incurring the expense will not be reimbursed.

13 Administrative Updates

It is recognised that from time to time, circumstances may change leading to the need for minor administrative changes to this document. Where an update does not materially alter this document, such a change may be made administratively. Examples include a change to the name of a Council department, a change to the name of a Federal or State Government department, and a minor update to legislation which does not have a material impact. However, any change or update which materially alters this document must be by resolution of Council.
